RECEPTIONIST'S LONG SERVICE ADDS UP

Many of you will have spoken to our receptionist Carole Richardson over the years but won't have realised how long she has actually been with DJH.

Well last week, Carole reached a record 20 years service with the firm and I am sure you will all join us in saying a big thank you to Carole and congratulating her for her long and excellent service to the company.

Carole put the reasons for her long service down to working for a good team of directors and staff and finding her job varied and interesting. She also says she loves people and the great clients make all the difference.
